

# EASTER BONNET PARADE 2025

Friday 4th April

9:15am

As you will have seen in the newsletters, it's that time of year when we invite children to create their own Easter Bonnet—either on their own or as a family project and bring it into school so we can have our annual Easter Bonnet Parade up to Jacksdale Garden Centre.

The designs can be as traditional, modern, simple, funky, original or themed as the children would like them to be.

As long as the weather holds (which we're sure it will), then you are invited to line the main road to watch the parade and join us at the garden centre to hear our traditional Easter songs.

We'll be leaving school as soon after 9.15 as we can.

(If the rain arrives we will have the parade in school but unfortunately parents won't be able to attend due to space – we will send a text at 8:15am on Friday morning if we need to put this into place).

We would like to invite our nursery and reception children to ask an adult to stay in school with them at drop off time so that they can walk up alongside one of their adults for the parade please.
