April 23rd

Dear Parents/Carers,

Your child has expressed an interest in attending District Sports Training Club that will take place each Monday afternoon after school, from 3.30-4.30pm.

After the following half term holiday your child will be invited back to attend the training if they are selected to represent the school at the District Sports Competition in June, at Harvey Hadden Stadium.

The training before the holidays will focus on trialling and coaching in each event – running, throwing and jumping. After the holidays, if selected, children will have a particular event to train within. Children are also training in these events in KS2 PE lessons and the District Sports Squad will be selected from PE lessons also.

I will run each session and may be supported by a volunteer Year 8 and Year 9 student who can help coach and encourage the children as they have experienced the event in previous years.

District Sports is a highlight of the School Sporting Calendar and Jacksdale competes against many other schools within the district. Jacksdale has built on progress steadily each year, and we are excited to work hard and help each athlete do their very best!

If your child is interested in attending the club please fill in the reply slip below and ensure your child comes to school in their PE kit each Monday between now and the end of this half term. Thank you for your support.

Kind Regards

Jill March

_____ would like to attend the District Sports Club

- I will pick them up at 4.30pm from the school office.
- They are able to walk home on their own.

(please select)

Signed _____
