1. Aims

This policy aims to show our commitment to meeting our obligations with regards to school attendance, including those laid out in the Department for Education's (DfE's) statutory guidance on working together to improve school attendance (applies from 19 August 2024), through our whole-school culture and ethos that values good attendance, including:

- Setting high expectations for the attendance and punctuality of all pupils
- Promoting good attendance and the benefits of good attendance
- Reducing absence, including persistent and severe absence
- Ensuring every pupil has access to the full-time education to which they are entitled
- Acting early to address patterns of absence
- Building strong relationships with families to make sure pupils have the support in place to attend school

We will also promote and support punctuality in attending lessons.

2. Legislation and guidance

This policy is based on the Department for Education's (DfE's) statutory guidance on working together to improve school attendance (applies from 19 August 2024) and school attendance parental responsibility measures. The guidance is based on the following pieces of legislation, which set out the legal powers and duties that govern school attendance:

- Part 6 of the Education Act 1996
- Part 3 of the Education Act 2002
- Part 7 of the Education and Inspections Act 2006
- The Education (Pupil Registration) (England) Regulations 2006 (and 2010, 2011, 2013, and 2016 amendments)
- The Education (Penalty Notices) (England) (Amendment) Regulations 2013

It also refers to:

- School census guidance
- Keeping Children Safe in Education
- Mental health issues affecting a pupil's attendance: guidance for schools

3. Roles and responsibilities

- Making sure school leaders fulfil expectations and statutory duties, including:
    - Making sure the school records attendance accurately in the register, and shares the required information with the DfE and local authority
    - Making sure the school works effectively with local partners to help remove barriers to attendance, and keeps them informed regarding specific pupils, where appropriate
- Recognising and promoting the importance of school attendance across the school's policies and ethos
- Making sure the school's attendance management processes are delivered effectively, and that consistent support is provided for pupils who need it most by prioritising staff and resources
- Making sure the school has high aspirations for all pupils, but adapts processes and support to pupils' individual needs
- Regularly reviewing and challenging attendance data and helping school leaders focus improvement efforts on individual pupils or cohorts who need it most
- Working with school leaders to set goals or areas of focus for attendance and providing support and challenge
- Monitoring attendance figures for the whole school and repeatedly evaluating the effectiveness of the school's processes and improvement efforts to make sure they are meeting pupils needs
- Where the school is struggling with attendance, working with school leaders to develop a comprehensive action plan to improve attendance
- Making sure all staff receive adequate training on attendance as part of the regular continued professional development offer, so that staff understand:
    - The importance of good attendance
    - That absence is almost always a symptom of wider issues
    - The school's legal requirements for keeping registers
    - The school's strategies and procedures for tracking, following up on and improving attendance, including working with partners and keeping them informed regarding specific pupils, where appropriate
    - Making sure dedicated training is provided to staff with a specific attendance function in their role, including in interpreting and analysing attendance data
- Holding the headteacher to account for the implementation of this policy

3.2 The headteacher

- Communicating with the local authority when a pupil with an education, health and care (EHC) plan has falling attendance, or where there are barriers to attendance that relate to the pupil's needs
- Communicating the school's high expectations for attendance and punctuality regularly to pupils and parents through all available channels

3.3 The designated senior leader responsible for attendance (Head Teacher)

The designated senior leader (also known as the 'senior attendance champion') is responsible for:

3.5 Class teachers

Class teachers are responsible for recording attendance for both morning and afternoon sessions on a daily basis, using the correct codes (see Appendix 1), and submitting this information to the school office

3.6 School Admin Staff

School admin / office staff will:

- Take calls from parents/carers about absence on a day-to-day basis and record it on the school system

3.7 Parents

Where this policy refers to a parent, it refers to the adult the school and/or local authority decides is most appropriate to work with, including:

- All natural parents, whether they are married or not
- All those who have parental responsibility for a child or young person
- Those who have day-to-day responsibility for the child (i.e. lives with and looks after them)

Parents are expected to:

- Make sure their child attends every day on time
- Call the school to report their child's absence before 9am on the day of the absence and advise when they are expected to return
- Provide the school with at least 2 emergency contact number for their child
- Ensure that, where possible, appointments for their child are made outside of the school day
- Seek support, where necessary, for maintaining good attendance, by contacting Mrs Blacknell, the Attendance Officer who can be contacted via the school office om 01773 783930 or office@jacksdale.nott.sch.uk

3.8 Pupils

Pupils are expected to:

- Attend school every day, on time

4. Recording attendance

4.1 Attendance register

We will keep an electronic attendance register, and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark, using the appropriate national attendance and absence codes from the School Attendance (Pupil Registration) (England) Regulations 2024, whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See Appendix 1 for the DfE attendance codes.

We will also record:

- Whether the absence is authorised or not
- The nature of the activity, where a pupil is attending an approved educational activity
- The nature of circumstances, where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

The school day starts at 09:00hrs and ends at 15:30hrs.

Pupils must arrive in school by 09:00am on each school day.

The register for the first session will be taken at 09:00am and will be kept open until 30 minutes after the session begins. The register for the second session will be taken at 13:00hrs.

4.2 Unplanned absence

The pupil's parent must notify the school of the reason for the absence on the first day of an unplanned absence by 09:00am or as soon as practically possible, by calling/emailing the school office staff.

If no contact is made by parents / carers and there is no response to school phone calls or text messages asking for contact, then a home visit may be undertaken, or a request may be made to the police to request a welfare check.

We will mark absence due to physical or mental illness as authorised, unless the school has a genuine concern about the authenticity of the illness.

Where the absence is longer than 4.5 days, or there are doubts about the authenticity of the illness, the school will ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents will be notified of this in advance.

4.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent notifies the school in advance of the appointment.

By telephone or email.

However, we encourage parents to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

4.4 Lateness and punctuality

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code
- After the register has closed will be marked as absent, using the appropriate code

Concerns where a pupil is identified as missing a significant number of partial sessions due to repeated lateness will be identified though regular analysis of attendance data. Conversations will be held with parents, the Attend Framework (a structured conversation taking the place of a meeting with parents) will be used and form an action plan and formal monitoring will be implemented. Should further periods of lateness occur during the 10 week monitoring period, then the Head Teacher may refer to the LA for a penalty notice to be issued.

4.5 Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school may:

- Call the pupil's parent on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the school may make a home visit, contact police, etc
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session(s) for which the pupil was absent
- Call the parent on each day that the absence continues without explanation, to make sure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving an education welfare officer
- Where relevant, report the unexplained absence to the pupil's youth offending team officer
- Where appropriate, offer support to the pupil and/or their parents to improve attendance
- Identify whether the pupil needs support from wider partners, as quickly as possible, and make the necessary referrals
- Where support is not appropriate, not successful, or not engaged with school may issue a notice to improve, begin formal monitoring, penalty notice or other legal , etc (see section 5.2 below), as appropriate

4.6 Reporting to parents

The school will regularly inform parents (see definition of 'parent', as used in this policy, in section 3.7 above) about their child's attendance and absence levels e.g. termly.

5. Authorised and unauthorised absence

5.1 Approval for term-time absence

The headteacher will allow pupils to be absent from the school site for certain educational activities, or to attend other schools or settings.

The headteacher will only grant a **leave of absence** to a pupil during term time if the request meets the specific circumstances set out in the 2024 school attendance regulations. These circumstances are:

- Taking part in a regulated performance, or regulated employment abroad
- Attending an interview
- Study leave
- A temporary, time-limited part-time timetable
- Exceptional circumstances

A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for.

The Selston Family of Schools define 'exceptional circumstances' as situations that are significant and unavoidable, beyond the control of the pupil or parent/carer and not foreseeable.

Leave of absence will not be granted for a pupil to take part in protest activity during school hours.

As a leave of absence will only be granted in exceptional circumstances, it is unlikely a leave of absence will be granted for the purposes of a family holiday.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant background context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least 4 weeks before the absence, and in accordance with any leave of absence request form, accessible via the school office or website. The headteacher may require evidence to support any request for leave of absence. Schools will not authorise any illness or appointments immediately preceding or post holiday LOA . The school may require evidence to support claims made about illness if there is reasonable doubt about the authenticity of the absence – this may include but is not limited to social media posts, international dial tones, information from children talking about going on holiday or having been on holiday). Nottinghamshire County Council say that is it not for the school to prove that a family has been on a holiday, rather it is the family to disprove that they have been on a holiday (where a penalty notice referral is to be made).

Other valid reasons for **authorised absence** include (but are not limited to):

- Illness (including mental-health illness) and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parent(s) belong(s). If necessary, the school will seek advice from the parent's religious body to confirm whether the day is set apart
- Parent(s) travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision
- If the pupil is currently suspended or excluded from school (and no alternative provision has been made)

Other reasons the school may allow a pupil to be absent from the school site, which are not classified as absences, include (but are not limited to):

- Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the school

- Attending another school at which the pupil is also registered (dual registration)
- Attending provision arranged by the local authority
- Attending work experience
- If there is any other unavoidable cause for the pupil not to attend school, such as disruption to travel caused by an emergency, a lack of access arrangements, or because the school premises are closed

5.2 Sanctions

Our school will make use of the full range of potential sanctions – including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on an individual, case-by-case basis.

Penalty notices

The headteacher (or someone authorised by them), local authority or the police can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice.

If the school issues a penalty notice, it will check with the local authority before doing so, and send it a copy of any penalty notice issued.

Before issuing a penalty notice, the school will consider the individual case, including:

- Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks)
- Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate

A penalty notice may also be issued where parents allow their child to be present in a public place during school hours without reasonable justification, during the first 5 days of a suspension or exclusion (where the school has notified the parents that the pupil must not be present in a public place on that day).

Each parent who is liable for the pupil's offence(s) can be issued with a penalty notice, but this will usually only be the parent/parents who allowed the absence.

The payment must be made directly to the local authority, regardless of who issues the notice. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

If issued with a **first** penalty notice, the parent must pay £80 within 21 days, or £160 within 28 days.

If a **second** penalty notice is issued to the same parent in respect of the same pupil, the parent must pay £160 if paid within 28 days.

A **third** penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead.

Formal monitoring

If the national threshold has been met and support is appropriate, but parents do not engage with offers of support, the school will instigate formal monitoring to give parents a final chance to engage with support so that attendance improves.

Monitoring will be issued in line with processes set out in the local code of conduct for the local authority area in which the pupil attends school.

They will include:

- Details of the pupil's attendance record and of the offences
- The benefits of regular attendance and the duty of parents under section 7 of the Education Act 1996
- Details of the support provided so far

- Opportunities for further support, or to access previously provided support that was not engaged with
- A clear warning that a penalty notice may be issued if attendance doesn't improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis
- A clear timeframe of between 3 and 6 weeks for the improvement period
- The grounds on which a penalty notice may be issued before the end of the improvement period

6. Strategies for promoting attendance

To foster a positive culture of regular attendance, our school employs a variety of strategies to reward, incentivise, and improve attendance among pupils. Our strategies are guided by the ATTEND framework:

Celebrating Good Attendance

- Assemblies: Recognising and celebrating pupils with excellent and improved attendance during school assemblies.
- Displays: Creating visually appealing attendance boards or displays around the school to highlight classes or individuals with outstanding attendance records.
- Notifications of acknowledgement to parents sent via text messages or email

Supporting Parents

We use the **ATTEND framework** to structure our support for parents, ensuring a comprehensive and collaborative approach to improving pupil attendance.

We offer support to parents whose children have persistent attendance issues. This support outline specific attendance goals, support measures, and the roles and responsibilities of the school and parents in improving attendance.

- How It Works: We work with parents/carers with the aim of addressing attendance issues collaboratively. It includes:
    - Clear Targets: Specific targets for attendance improvement.
    - Action Plans: Detailed plans outlining the support and interventions the school will provide.
    - Parental Commitments: Specific commitments from parents to support their child's attendance.
    - Review Meetings: Regular meetings to monitor progress and adjust strategies as needed.
    - When Used: These will typically be used when initial attempts to improve attendance through regular communication and support have not been successful.

Engaging with Families

- Communication: Maintaining regular, positive communication with parents about the importance of attendance and their child's progress. This includes phone calls, emails, and meetings.
- Workshops and Meetings: Signposting workshops or meetings for parents to provide guidance on how they can support their child's regular attendance.
- Home Visits: Conducting home visits for families struggling with attendance issues to offer personalised support and identify any barriers to attendance.

Interventions and Support

- Early Intervention: Identifying and addressing attendance issues early through regular monitoring and communication with pupils and parents.

- Pastoral Care: Offering additional pastoral care for pupils facing challenges that impact their attendance.

Collaborating with External Agencies

- Local Authority Partnerships: Working closely with the local authority to support pupils with attendance issues, including accessing additional resources and expertise.
- Multi-Agency Support: Engaging with external agencies (e.g., social services, healthcare providers) to address complex barriers to attendance.

By implementing these strategies, we aim to create an environment that values and promotes regular attendance, supports pupils and families in overcoming attendance challenges, and recognises and rewards those who achieve excellent attendance.

7. Supporting pupils who are absent or returning to school

7.1 Pupils absent due to complex barriers to attendance

For pupils facing complex barriers to attendance, our approach focuses on collaboration with families and implementing strategies to address in-school barriers effectively. This includes:

- Family Collaboration: We will engage proactively with families to understand the underlying issues affecting attendance and to develop tailored support plans.
- Multi-agency Approach: Working closely with external agencies such as social services, educational psychologists, and healthcare professionals to provide comprehensive support.
- Individual Support Plans: Creating personalised attendance improvement plans that outline specific actions and interventions to overcome barriers (Attend Framework).
- Monitoring and Review: Regularly reviewing progress and adjusting support strategies as necessary to ensure sustained improvement in attendance.

7.2 Pupils absent due to mental or physical ill health or SEND

When pupils are absent due to mental or physical ill health or their Special Educational Needs and Disabilities (SEND), our approach focuses on providing holistic support to facilitate their wellbeing and successful reintegration:

- Family and Professional Collaboration: Collaborating closely with families, healthcare providers, and specialists to understand and address the specific needs impacting attendance.
- Flexible Provision: Making adjustments as necessary, such as flexible attendance arrangements, or individualised timetables.
- Additional Support: Offering additional pastoral care, and access to specialised support staff to assist with emotional, physical, or academic needs.
- Monitoring and Reporting: Monitoring attendance closely and reporting concerns to appropriate authorities, including informing the local authority if attendance issues relate to a pupil's Education Health and Care (EHC) plan.

7.3 Pupils returning to school after a lengthy or unavoidable period of absence

To support pupils returning to school after a lengthy or unavoidable absence, our approach is designed to facilitate a smooth transition and promote their successful reintegration:

- Transition Planning: Developing a structured re-entry plan in collaboration with the pupil, their family, and relevant professionals to ensure individual needs are met.
- Academic and Social Reintegration: Facilitating opportunities for social reintegration with peers.

- Emotional Support: Offering pastoral care, mentoring to help pupils readjust emotionally and build confidence in their return to school.
- Review and Adjustment: Continuously reviewing the pupil's progress and adjusting support strategies as needed to support their ongoing attendance and engagement.

By implementing these approaches, we aim to create a supportive and inclusive environment that enables all pupils to achieve their full potential, even when facing significant challenges to regular attendance.

8. Attendance monitoring

8.1 Monitoring attendance

The school will monitor attendance and absence data (including punctuality) regularly across the school and at an individual pupil, year group and cohort level.

Specific pupil information will be shared with the DfE.

Data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics.

The school will benchmark its attendance data at whole school, year group and cohort level against local, regional, and national levels to identify areas of focus for improvement, and share this with the governing board.

8.2 Analysing attendance

The school will:

- Analyse attendance and absence data regularly to identify pupils, groups or cohorts that need additional support with their attendance, and
- Identify pupils whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence
- Conduct thorough analysis of half-termly, termly, and full-year data to identify patterns and trends
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

8.3 Using data to improve attendance

The school will:

- Develop targeted actions to address patterns of absence (of all severities) of individual pupils, groups or cohorts that it has identified via data analysis
- Provide targeted support to the pupils it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severed absence, and their families (see section 8.4 below)
- Provide regular attendance reports to class teachers, to facilitate discussions with pupils and families, and to the governing board and school leaders (including special educational needs co-ordinators, designated safeguarding leads and pupil premium leads)
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies

- Share information and work collaboratively with other schools in the area, local authorities and other partners where a pupil's absence is at risk of becoming persistent or severe, including keeping them informed regarding specific pupils, where appropriate

8.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school. Reducing persistent and severe absence is central to the school's strategy for improving attendance.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education
- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:
    - Discuss attendance and engagement at school
    - Listen, and understand barriers to attendance
    - Explain the help that is available
    - Explain the potential consequences of, and sanctions for, persistent and severe absence
    - Review any existing actions or interventions
- Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority, where relevant
- Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these pupils. In doing so, the school will sensitively consider some of the reasons for absence
- Implement sanctions, where necessary (see section 5.2, above)

9. Monitoring arrangements

This policy will be reviewed as guidance from the local authority and/or DfE is updated, and as a minimum annually by the Head Teacher, Attendance Officer and Link Governor. At every review, the policy will be approved by the full governing board.

10. Links with other policies

This policy links to the following policies:

- Child protection and safeguarding policy
- Behaviour policy
